| GENERAL--Panic, sudden fatigue, chills, fear of impending doom         |  |

**NOTE: Highlight student's specific symptoms**

**This Section To Be Completed By A Licensed Healthcare Provider (LHP):**

If a student has symptoms or you suspect exposure (is stung, eats food he/she is allergic to, or exposed to something allergic to):

- Give Epinephrine Auto Injector (EAI)     0.3 mg     Jr. 0.15 mg  
 **May repeat EAI (if available) in 10-15 minutes if symptoms are not relieved or symptoms return and EMS has not arrived. Document time medications were given below and alert EMS when they arrive.**

EAI #1	EAI #2	Antihistamine	Inhaler
--------	--------	---------------	---------

- Stay with student.
- CALL 911 – Advise EMS that student has been given Epinephrine
- Notify parents and school nurse.
- After EAI given, give Benadryl® or antihistamine \_\_\_\_\_ (ml/mg/cc)
- If student has history of Asthma and is having wheezing, shortness of breath, chest tightness with allergic reaction, After EAI and antihistamine, may give:
 

<input type="checkbox"/> Albuterol 2 puffs (Pro-air®, Ventolin HFA®, Proventil®)	<input type="checkbox"/> Albuterol/Levalbuterol unit dose SVN (per nebulizer)
<input type="checkbox"/> Levalbuterol 2 puffs (Xopenex®)	<input type="checkbox"/> Other _____

**7. A student given an EAI must be monitored by medical personnel or a parent and may NOT remain at school.**

**SIDE EFFECTS of medication(s):**

EAI: **increased heart rate,** \_\_\_\_\_    Antihistamine: **sleepy** \_\_\_\_\_

Albuterol/Levalbuterol: **increased heart rate, shakiness,** \_\_\_\_\_

- |  |  |
|--|--|
| <input type="checkbox"/> Student may carry & self-administer EAI +/-or antihistamine | <input type="checkbox"/> Student has demonstrated EAI use in LHP's office  |
| <input type="checkbox"/> Student may carry & self-administer Inhaler                 | <input type="checkbox"/> Student has demonstrated inhaler use LHP's office |

**PLEASE COMPLETE THIS SECTION IF THE STUDENT HAS A SEVERE FOOD ALLERGY –**

**Disability:** Potential anaphylaxis if food ingested. **Major life activity affected:** Potential shut down of multiple body symptoms leading to death.  
**How disability restricts student diet:** Student must not eat food containing allergen

Check here if student will EAT school provided meals during the entire school year. If so, one of the following must be completed.

- Foods to omit:** \_\_\_\_\_  
 Suggested general substitutions: \_\_\_\_\_
- Check here if standard substitutions offered in our district are acceptable.  
 (Contact district Food Services Manager for details.)    Note: Meals from home provide the safest food option at school.

My student may carry and is trained to self-administer his/her own EAI:	<input type="checkbox"/> Yes <input type="checkbox"/> No	Provide extra for office? <input type="checkbox"/> Yes <input type="checkbox"/> No
My student may carry and use his/her asthma inhaler:	<input type="checkbox"/> Yes <input type="checkbox"/> No	Provide extra for office? <input type="checkbox"/> Yes <input type="checkbox"/> No

- I request this medication to be given as ordered by the licensed health professional (LHP) (i.e., doctor, nurse practitioner, PAC).
- I give health services staff permission to communicate with the LHP/medical office staff about this plan and medication.
- I understand that any medication will not necessarily be given by a school nurse but may be given by trained and monitored school staff.
- I release school staff from any liability in the administration of this medication at school.
- I understand this is a life threatening plan and can only be discontinued, in writing, by the prescribing LHP.
- Medical/medication information may be shared with school staff working with my child and 911 staff, if they are called.
- All medication supplied must come in its originally provided container with instructions as noted above by the LHP.
- Student is encouraged to wear a medical ID bracelet identifying the medical condition.
- I request and authorize my child to carry and/or self-administer their medication.       Yes    No
- This permission to possess and self-administer any medication may be revoked by the principal/school nurse if it is determined that the student cannot safely and effectively self-administer.
